# Project Objectives

The ELEMENT project has set objectives which are in line with EMA2-Strand1 objectives which contribute to the mutual enrichment of Egyptian and Lebanese Societies and the EU, not only in academic matters, but also in political, educational, cultural and economic matters. These objectives are:

- ❖ To better adapt the Egyptian and Lebanese institutions to contribute to national development needs and to respond to globalisation challenges.
- ❖ To better integrate the Third-Country universities within the Euro-Mediterranean area.
- ❖ To contribute to the mutual enrichment of societies by developing the qualifications of the three target groups at all levels.
- ❖ To raise the academic level and international visibility of Egypt's and Lebanon's Higher Education through joint degrees, co-tutorship of thesis, new programmes and exchange of academic staff. This will develop and strengthen the HE teaching and learning capacity of the Third-Country institutions.

# Mobility Flows

## **TARGET GROUP 1 – all 5 mobility levels, both mobility directions**

Students, and staff registered in one of the HEIs that is a member of the partnership.

## **TARGET GROUP 2 – Masters, Doctorate and Post-Doctorate only; South-North mobility only**

Egyptian or Lebanese Nationals who are registered in a higher education institution of these countries that is not included in the partnership, or who have obtained a university degree or equivalent by an Egyptian or Lebanese institution. This includes the possibility of providing mobility opportunities to Egyptian and Lebanese nationals working in public administration, public and private enterprises.

## **TARGET GROUP 3 – Undergraduate, Masters, Doctorate and Post-Doctorate only; South North mobility only**

Egyptian or Lebanese Nationals who are in particularly vulnerable situations, for social and Political reasons. For example:

- 1) having a refugee status or asylum beneficiaries (international or according to the national legislation of one of the European recipient countries) or
- 2) it can be proved that they have been the object of unjustified expulsion from university on racial, ethnic, religious, political, gender or sexual inclination or
- 3) they belong to an indigenous population targeted by a specific national policy or IDPs (Internally Displaced Persons)

# Third Country Scholars

To be eligible, third-country undergraduate and master students as well as doctoral and post doctoral candidates:

1. Must be a national of one of the third countries covered by the relevant lot;
2. Must have not resided nor have carried out their main activity (studies, work, etc) for more than a total of 12 months over the last five years in one of the European countries;
3. For Target Group 1 (TGI): students need to be registered at one of the third-country HEIs within the partnership. Undergraduate students must have successfully completed at least one year of studies in their home institution;
4. For Target Group 2 (TGII): students need either to be registered in a HEI (not included in the partnership) of the third country concerned by the lot or having obtained a university degree or equivalent by an institution of these third countries. They will need to justify how this study period abroad will benefit them (and their direct socio-economical environment) and include letters of support in their individual application;
5. For Target Group 3 (TGIII): students need to be nationals of one of the third countries concerned by the lot and be part of the vulnerable target groups.
6. Must have sufficient knowledge of the language of the courses or of one of the languages currently spoken in the hosting countries.

# Academic and Administrative staff – “Staff”

1. Must be an Egyptian, Lebanese or European national
2. Must work in or be associated to an HEI within the partnership;
3. The mobility assignments must be based on partnership agreements between the members of the partnership;
4. The home and host universities and the individual staff must agree on the programme of lectures to be delivered by the visiting staff, on the research activities or on the type of training to be followed;
5. The mobility may constitute a post-per-post exchange or a one-way visitor flow to or from a Third Country.

# For General Enquiries

To Contact the ELEMENT Project Team for any general queries or to report technical errors, please select HELPDESK on the 'Contact Us' page of the website. You will then be able to complete your query ticket. If your query is course or university specific please contact the assigned contact person, details of which are found in the University Information Section under the 'Partners' section.

The screenshot shows a web browser window with the title "HELPDESK". The main content area is titled "Help Desk". Below this, there is a "New Problem" section. On the right side of this section, there are five icons: a floppy disk (Save), a printer (Print), a red X (Close), a circular arrow (Refresh), and a house (Home). Below the icons is a "Contact Information" section with three input fields: "User Name:" with a text box, "E-Mail:" with a text box, and "Department:" with a dropdown menu labeled "Select Department". To the right of these fields is a large empty rectangular box.
